Ecco conclusa l'edizione del 2007. Anche quest'anno moltissimi Team e stazioni singole, con una propagazione magnifica che ha permesso dei bellissimi QSO. Purtroppo poche stazioni dalla Spagna e poche dall'Est Europa limitano l'attività verso quei Paesi, speriamo che si "riscopra" la passione per il CW anche in quei Paesi.

Un ringraziamento di cuore da parte mia e della Sezione di Bologna a tutti i partecipanti che con la loro passione contribuiscono a render grande questa gara.

Quest'anno la Targa speciale viene assegnata a F2CT che sempre presente cerca ogni anno di conquistare posizioni con impegno e sforzi sempre maggiori, speriamo un giorno di riuscire a consegnargli il primo posto.

Ciao a tutti alla prossima edizione

Here concluded the 2007 edition. Also this year a lot of Team and single stations, with a magnificent propagation that has allowed some QSOs. Unfortunately few stations from Spain and few from east Europe limit the activity toward that Countries, we hope that him "rediscovers" the passion for the CW also in that Countries.

A thanks of heart on my behalf and of the Section in Bologna to all the participants what with their passion they contribute to great render this competition.

This year the special Plate is assigned to F2CT that present always looks for every year to always conquer positions with appointment and greater efforts, we hope for one day to succeed in delivering him the first place.

Hi to all to the next edition
